VOYAGER
SERIES

12' long, 12,000 lb. lifting capacity and 12-degree ramp angle put the LY at the front of the pack for easy loading of heavy equipment.

INDUSTRY-LEADING HYDRAULIC DOVETAIL

Rear traction bars on diamond plate steel deck allow for wet and muddy conditions to not slow loading equipment with a variety of wheels or tracks.

REAR TRACTION

With the easy-to-use below-the-deck spare mount, getting the tire down to change a tire is just as easy as your truck.

BELOW DECK SPARE

The engineered neck provides strength and easy hitching with the Demco EZ Latch.

ENGINEERED PROBEAM™ WITH DEMCO EZ LATCH
